RE: #6A PRODUCTION WELL PRICING
ACSD QUOTE JO#633

Dear Mr. Calamin:

Per your recent conversation with Mr. Rick Schultes of our firm, A.C. SCHULTES OF DELAWARE, INC. is pleased to quote you on installing a 16" x 150' production well including the following:

- Well construction permit and completion report processing to Delaware Department of Natural Resources and Environmental Control
- 22" x 155' reverse rotary borehole with ditch samples taken every 5'
- Electronic logging of borehole to determine screen placement
- 125' of 16" black steel casing with cement grout installed
- 25' of 16" Type 304 stainless steel screen (slot size to be determined) with gravel pack installed
- 3' of 16" stainless steel sump
- Well development
- Test pump installation and removal

- Forty-eight (48) hour flow test and twelve (12) hour recovery test to determine well capabilities utilizing an In-Situ electronic data logger
- Technical Data Report including design recommendations for permanent pumping equipment

TOTAL COST TO PERFORM THE ABOVE SUBJECT WORK.....\$109,336.00

Please be advised, if requested, our firm can install 12” stainless steel casing for an additional \$41,175.00

Thank you for allowing our firm the opportunity to submit a proposal on this project. Our payment terms are Net 30 Days. All unpaid invoices beyond 30 days will be assessed a 1.5% finance charge per month. We also accept Visa and MasterCard credit card payments. If payment is made with a credit card, please add 3.5% to total invoice amount for credit card processing. This proposal may be withdrawn or renegotiated by our firm if not accepted within 30 days. Authorization to proceed can be given by signing the attached authorization form, checking the options selected and returning it to my attention at P.O. Box 188, Bridgeville, DE 19933, faxing it to 302-337-8234 or e-mailing it to joursler@acsde.net.

Respectfully,

A.C. SCHULTES OF DELAWARE, INC.
