

DEMEC SURVEY
Repsonsese from participating municipalities

First Name	Last Name	Title	Email	Municipality	Have you adopted a wireless attachment fee schedule like the one provided by DEMEC above?	Do you have a set fee schedule or do you handle fees based on varying factors / case by case?Note: Due to antitrust laws, please only share publicly available information & not specific rates in your response.	Can you share the details for your fee schedule?Note: Due to antitrust laws, please only share publicly available information & not specific rates in your response.	Additional Comments
Richard	Wright	Customer Service Manager	rwright@smyrna.delaware.gov	Town of Smyrna	No			
June	Merritt	Director of Finance & Human Resources	jmerritt@seafordde.com	City of Seaford	No			We do not have a set fee schedule. We have several pole attachment agreements. Each agreement is a stand alone agreement and does not necessarily match the other agreements.
Rob	Pierce	Planning Director	rpierce@milford-de.gov	City of Milford	Yes	See below link for fee schedule published on the City website and adopted by Resolution 2022-03. https://www.cityofmilford.com/DocumentCenter/View/4465/2202-03-Fee-Schedule It is a set annual fee. Small-cell Wireless Facility Right-of-Way License fee found on the middle of page 2.
